Use Chapter 2 (pages 34-51) to discover more helpful features of your book.

1. Check out the chapter title - what do you think you'll be learning about?

2. How many sections are there in the chapter? _____

What color are the section titles? _____

List the SECTION titles:

3. What is the purpose of the green subtitles in each section? How are they helpful?

4. What is the purpose of the phrases written in lighter blue?

5. How can you use these colored titles, subtitles, and phrases when given a reading assignment for homework?

6. Why are certain words written in purple?

7. There is another extremely helpful feature on every page - what is it and how is it helpful? Give a specific example from pages 34-51.
